

## **Annual Report 2020-2021**

### **Online Study during Covid 19**

The nationwide lockdown following the COVID-19 pandemic has led to a burst of activity with online education. The COVID-19 has resulted in schools shut all across the world. Globally, over 1.2 billion children are out of the classroom. As a result, education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms.

At Sanskriti teachers and coordinators are regularly in contact with the students and parents and taking the online classes regularly. Students are also studying through online learning program. Apart from this, students are given various other extracurricular activities such as drawing, singing, dance etc. On day to day basis which they can carry out at their home and to encourage them we put their videos on social media and websites. Students also participate in various online competition like debate competition, rangoli competition, rakhi competition, science quiz, etc. Online activities maintain the healthy competition skill among them.

Online Parents teachers meeting are also organize time to time for improving the student's betterment and interest towards study.

### **Conclusion:**

We believe that every year brings changes with God Almighty's protection. As we are passing through an unprecedented crisis situation in the year 2020 we are confident that we will overcome all the odds by our strong wills and ethics and pave the way for the betterment of the education fraternity and the society in general ..Towards this, we have started our Online lectures from the 02 april 2020 using various innovative tools to facilitate by the students.
